

The Small Grants Process

Funding process is open for applications all year round

Applicant completes application form and accompanying documents and returns to:

funding@northantspfcc.pnn.gov.uk

Application forms are considered as and when they are submitted by the grants team

More complex application decisions are then shared with the Police, Fire and Crime Commissioner and or monitoring officer for consultation.

The applicant is informed of the outcome of the decision as quickly as possible, and after any further information requested has been received

Unsuccessful applicants are able to submit a different or revised bid taking on board panel comments where relevant

Successful applicants receive notification confirming the level of funding agreed and details regarding next steps

Funding awarded to company account once account details request form is received and contract signed
