Decision Record Number 219

This document records a decision taken by the Police, Fire and Crime Commissioner, together with details of the advice he received prior to taking the decision.

Decision taken

The Police, Fire and Crime Commissioner has taken the decision to:

Approve the award of a contract for the Northamptonshire Police Firewall Project to CaE via Palo Alto for the period of contract of 5 years from 1 June 2021 to 31 May 2026 for the total contract value of £560,064.00. Northamptonshire Police has a cloud-based IT vision and has invested heavily in cloudbased sector technologies with further future investment developing. With the addition of future technologies such as Body Worn Video and Azure Cloud Services, this will create additional network traffic and add further strain on the existing firewalls. Northamptonshire Police have been working closely with CAE and Palo Alto to discover and develop a solution suitable for Northamptonshire Police.

Details of advice taken

Professional financial and legal advice has been sought to ensure the decision best supports business need and represents value for money.
