Decision taken

The Police, Fire and Crime Commissioner has taken the decision to:

To award the contract to JML Software Solutions for the provision of the Chronicle system, which enables Northamptonshire Police to record Police officer and staff competencies against a range of subject areas. This ensures that they are appropriately trained, accredited and deployable. This is following a compliant procurement undertaken jointly with Lincolnshire Police to achieve economies of scale utilising Most Economically Advantageous Tender principles. Whilst the procurement was undertaken jointly, both parties have separate contracts with JML Software Solutions. The contract will run from 13 September 2022 to 12 September 2025. There are no extension periods available. The value of the contract is £185,642.47 inclusive of VAT.
