

## **DECISION RECORD**

### **NFRS Decision Record Number: 58**

This document records a decision taken by the Police, Fire and Crime Commissioner, together with details of the advice he received prior to taking the decision.

### **Decision taken**

The PFCC has taken the decision to agree the budget of £25k for three years, plus one for the purchase of smoke alarms. This procurement supports the delivery of Home Fire Safety Visits to meet statutory obligation to promote fire safety. Installing smoke detectors and ancillary products for those unable to help themselves and who are vulnerable to fire risk also enables Prevention staff and Community Risk groups personnel to reduce risk in the community in line with the Integrated Risk Management Plan. This is part of the ongoing Prevention strategy, rather than new work.

### **Details of advice taken**

Professional financial and legal advice has been sought to ensure the decision best supports business need and represents value for money.
