

Northamptonshire Commissioner Fire and Rescue Authority Statement of Accounts

Non-accessible content

Non-compliance with the accessibility regulations

The Northamptonshire Commissioner Fire and Rescue Authority (NCFRA) Statement of Accounts are largely technical documents, the content and layout of which is dictated by International Financial Reporting Standards (IFRS) and the CIPFA Code of Practice on Local Authority Accounting. Parts of the documents may not be accessible.

Disproportionate burden

Due to the statutory content and layout of these documents, it's not always possible to change the device orientation from horizontal to vertical or change text sizes without making it more difficult to view the content. This fails WCAG 2.1 success criterion 1.3.4 (orientation) and WCAG 2.1 success criterion 1.4.4 (resize text).

We will continue to work towards making future Statement of Accounts accessible for future years.
