### **Decision taken**

The Police, Fire and Crime Commissioner has decided to install target hardening at his home address following the security review undertaken by the East Midlands Special Operations Unit (EMSOU). The OPFCC/Force will use approved local contractors and arrange the provision directly and install security equipment, some of which can be removed once the PFCC has left office. The cost of these works is £3005 plus vat and the PFCC will reimburse the OPFCC for £115 towards the cost of the security adaptations, which will reduce the cost of the works to £2890. The OPFCC will ensure that any payments made regarding security are correctly disclosed on the P11D and are therefore classed as a taxable benefit and taxed at the appropriate rate (currently 40%).

### **Details of advice taken**
