Decision Record Number 121

This document records a decision taken by the Police, Fire and Crime Commissioner, together with details of the advice he received prior to taking the decision.

Decision taken

Following a compliant procurement procedure, the decision has been taken to award a contract for the provision of Mobile Hardware Refresh for Northamptonshire Police and Northamptonshire Fire and Rescue Service to BT plc.

The mobile replacement programme across Northamptonshire Police will ensure resilience across the hardware but also bring consistency of approach/provision. The contract period will run from 14th August 2023 to 14th August 2025 with a value of up to £1,025,571.60 ex VAT. The Northamptonshire Fire and Rescue Service apportionment of the initial 2-year contract is £46,746.80 ex VAT. There is an option to extend by one 12-month period, if this is taken the contract term would be extended to August 2026 and would be subject to a future Decision Record.

Details of advice taken

Professional operational, financial and legal advice has been sought to ensure the decision best supports operational needs and represents value for money.
