

DECISION RECORD

Decision Record Number 25

This document records a decision taken by the Police, Fire and Crime Commissioner, together with details of the advice he received prior to taking the decision.

Decision taken

To agree to the purchase of a mobile Cobra unit at a cost £39,087 plus maintenance costs of £4,500 over 3 years for one service per year. The cost of this unit can be made by drawing from credits NRFS have built up with Cold Cut System. This unit will provide additional resilience and provide opportunities to utilise the unit for commercial purposes.

Details of advice taken

Professional operational, financial and legal advice has been sought to ensure the decision best supports frontline operational needs and represents value for money.
