Any corporation established, or a group of individuals appointed to act together, for the specific purpose of meeting needs in the general interest, not having an industrial or commercial character, and

- i. financed wholly or mainly by another contracting authority listed in this document;

- ii. subject to management supervision by another contracting authority listed above in this document; or
- iii. more than half of the board of directors or members of which, or, in the case of a group of individuals, more than half of those individuals, are appointed by another contracting authority listed above in this document;
- iv. an association of or formed by one or more of the Contracting Authorities listed above in this document.

Entities which are not public sector bodies may also use the Framework Agreement if the Authority ("**The Police, Fire and Crime Commissioner for Northamptonshire**") is satisfied that:

- such entity is calling-off goods and services (e.g. deliverables) directly, solely and exclusively in order to satisfy contractual obligations to one or more public sector bodies, all of which are entitled to use the Framework Agreement on their own account;
- all goods to be called-off by it are to be used directly, solely and exclusively to provide energy at sites occupied by such public sector body(ies); and
- it will pass the benefit of the call-off contract to such public sector body(ies) directly, in full and on a purely "pass-through" basis. Accordingly there must be no mark-up, management fee, service charge or any similar cost solely in relation to the supply of energy imposed on the relevant public sector body(ies), who must be able to benefit from the terms of the Framework Agreement in a like manner and to the same extent as if using the Framework Agreement on its/their own account.

The Police, Fire and Crime commissioner for Northamptonshire reserves the right to add further contracting bodies.
